Subd. Circular no. G. 6172-9 of 22-4-11 refers to the use of Mysore Coat of Arms (prohibiting the use of the same by the private publishers) and G. O. no. 1953-2002-P.P. 45-22-6 of 17-10-1922 refers to the flag with Gandabherunda in the middle (which is to be used on Palace Buildings exclusively). Except these two other order is traceable.

Except in one case, permission to the use of Mysore Coat of Arms for private purposes has been refused.

References are put up in which it is seen that permission to use Gandabherunda by public (on cloth etc.) has been refused

In my opinion we have no legal provision so far as I know to prevent the use of Royal coat of Arms. It is one of the duties cast on a subject of the State not to use such coat of Arms without the permission of Government. In the file referred below Government have allowed to horticultural Gandabherunda flag on the private residence of an individual on special occasion but the applicant in the present case wants to use the Gandabherunda flag emblem and with a chaplet in a flag. The association of Gandabherunda figure with a chaplet in the same flag is certainly objectionable and may not be

CHIEF SECRETARY.
18 MAR 1938
GOVT. OF MYSORE.

Sir,

I am in receipt of your kind reply No P. 4834 dated 18th Feb. 38 & I am sorry in my turn to see the reply. I have herewith sent a copy of the packing on a beedi bundle. When Beedi Makers so freely & probably without any formal permission use the emblem of "Gandabherunda", I fail to see eye to eye with you when you express your regret to grant the permission sought for (in the language of the Secretariat), to be used on a "flag" which is to be respected and saluted.

Anyway personally I am inclined to think by such refusals to associations with respectable name & with honest & sincere purposes, you will be doing a +ve disservice to "Gandabherunda", the cherished & time honoured emblem of Karnataka.

Now atleast may I request you to kindly revise your opinion and send me a formal

Reply? Further I request you consider, it is not because that we cannot think of any other emblem to be used on our flag, but because we want "Gandabherunda" to fly & be honoured as a popular emblem of Mysore.

I think I have made my point of view sufficiently clear and jointly if you read my secretaries letter dated 16.12.37, everything will be perfectly clear to you.

I hope to hear from you at an early date.

Thanking you in anticipation

I remain
Sir
Yours faithfully
